Dear Mr. Lawton,

On behalf of CHEO and CHEO Foundation, we would like to thank RCMP Foundation for your generosity.

It warms our hearts to know that we can count on you to support children and youth who spend a lot of their time at CHEO by sending gifts and words of encouragement. While a hospital stay is never fun, your donation of stuffies and books goes a long way in providing moments of joy and respite during what is a difficult time for kids and their families.

You may not realize it, but your contributions have a far-reaching impact. They help a variety of staff and volunteers do their jobs more efficiently, thus providing kids with better support. They also serve as a reminder—to staff, kids, and families alike—that we have a community ready to help our most vulnerable children and youth.

Compassionate patient care is what makes CHEO such a beloved institution, a reputation that could simply not be achieved without donors like you. With you by our side, we know we can provide the care that the children and families that rely on us need. Thank you from the bottom of our hearts.

Sincerely,
